

Monthly Safety Tip for **February**:

Okay Ladies this one's for you...

For those of you who did not make it to our General Meeting, I told everyone about the ERC classes that I have already reserved specifically for Tacoma HOG

(Saturday May 8th and Saturday June 5th open to both men and women)

So to get the SPARK firing on all cylinders, I asked if you ladies would like to have an ERC class all to your selves. The response was an over whelming **YES!!!**

So, you asked and you shall receive.

Saturday May 22nd 8am to 2pm at Cheney Stadium.

All the info on the main Safety page under **Riding Courses** applies to this Ladies Only class reserved for **May 22nd**.

Remember to use the **Reservation Code: Tacoma HOG**.

One more point. The class is limited to twelve per class, so to fill this class I have extended the invitation to the Ladies of the Mt. Rainier chapter as well.

So sign up quick. If it fills up I can always try to reserve another class.

If you have any questions you can always contact me via e-mail at
